Bridge at Portsmouth

The Portsmouth Blade says that it is definitely settled that the C. and O. Railway Company is going to bridge the Ohio river at that point right away and thus do away with the ferry between that city and South Portsmouth. The engineering corps has been instructed to report at the latter place to begin the preliminary work and options on the necessary grounds for right of way have been obtained, and The Blade says there is no longer any doubt about the matter of building the bridge.

A revival at the Christian Church at Carle closed with 113 additions.

Dress Goods Values.

Seven values in materials for suits and dresses are listed below. There are many additional attractions and our only reason for giving special prominence to these is to prove that our dress fabrics are better values for the money than can be found anywhere else.

Wide Wales in wine, green, black and navy 39c yard—regular value 59c. A splendid bargain.

Wool Batiste, special at 50c yard. Alice blue, castor, black, navy, white. An attractive light-weight fabric.

For 59c yard a handsome line of Suitings in white hair-line stripe on russet brown, reseda, navy or Alice blue. Also a full color line in French Serge of exceptional quality for 59c.

For \$1.25 yard we are offering three extra special values—

Chudde Cloth, 42 inches wide, all colors.
Oak Serge, 56 inches wide, shrunk and sponged.
Black, castor, navy.

Tan Covert for Coats and Suits—one and a half yards wide.

Have you seen the Silk Colleen Poplins in black and colors? You can only see them here as we are Maysville's exclusive agents.

\$5, \$6, \$6½ Dresses for \$3.98.

It is your great opportunity to secure a stylish linene, gingham, cotton voile or foulard dress for a little price. It is a sample line we have just secured. Hardly two dresses in the lot alike in design or color. These are not so-called house dresses—they are pretty frocks you will be proud to wear any time or anywhere. Less than three dozen in the lot, so promptness is the word. As these garments are sold at a fraction over cost we neither alter nor pin them up. You are kindly requested to remember this rule.

Matting

The approaching warm weather calls to mind the coolness of matting for floor coverings. You will find a choice line here, particularly strong in the 25c quality. At that price we are giving special values.

COMMODITY CLAUSE

Of Hepburn Rate Law Upheld By Supreme Court—Knock-Out for Railroads

WASHINGTON, April 34—The "commodities clause" of the Hepburn Rate Law, interpreted two years ago by the Supreme Court of the United States into what was commonly supposed to be an important group of words, was given new life today by the same tribunal in a second interpretation.

So effective was the reconsideration of the subject that Government officials tonight predict that the evils sought to be corrected by the legislation will now be remedied and the railroad business henceforth divorced from the coal business.

SEVEN YEARS OF MISERY

All Relieved by Lydia E. Pinkham's Vegetable Compound.

Sikeston, Mo. — "For seven years I suffered everything. I was in bed for four or five days at a time every month, and so weak I could hardly walk. I cramped and had backache and headache, and was so nervous and weak that I dreaded to see anyone or have anyone move in the room. The doctors gave me medicine to ease me at those times, and said that I ought to have an operation. I would not listen to that, and when a friend of my husband told him about Lydia E. Pinkham's Vegetable Compound and what it had done for his wife, I was willing to take it. Now I look the picture of health and feel like it, too. I can do my own housework, hoe my garden, and milk a cow. I can entertain company and enjoy them. I can visit when I choose, and walk as far as any ordinary woman, any day in the month. I wish I could talk to every suffering woman and girl."

—Mrs. DORA BENTLEY, Sikeston, Mo.
The most successful remedy in this country for the cure of all forms of female complaints is Lydia E. Pinkham's Vegetable Compound. It is more widely and successfully used than any other remedy. It has cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration, after all other means had failed. Why don't you try it?

Since the frescoers have completed their work of painting and decorating the auditorium and Sunday-school room and interior in general at the M. E. Church, South, the place is a thing of beauty and real joy. William A. Lay & Company of Cincinnati were the contracting artists, and that they gave the Church people a finished piece of work is fully attested by words of praise coming from those who are connoisseurs in matters of the beautiful. It is the third time this firm has decorated the interior of the Church.

MISSION INSTITUTE
At First Baptist Church—Rev. B. F. Swindler the Forceful Speaker

The Mission Institute at the First Baptist Church was well attended last evening. Dr. B. F. Swindler made a great address. He is one of our most useful men.

The choir, which is composed of some of the leading voices in the city, is rendering some most excellent music. Come and hear them sing.

Dr. N. F. Jones will speak tonight. Subject: "Rebuilding the Walls." You'll miss a treat if you don't hear him. We extend a cordial invitation to all. J. M. HAYMORE, Pastor.

"It Cured My Back"

"For twenty-nine years I have been at intervals a great sufferer from rheumatism. During that time, no telling how many gallons of the various kinds of liniments and oils I have used and with but little relief. Recently, I was confined to my bed helpless. I tried Sloan's Liniment and used it with such satisfactory results that I sent for two large bottles, and I have up to this time used about half a 50 cent bottle with splendid success."—JAMES HYDE, Beebe, White County, Ark.

Got Ease in Less Than Ten Minutes.
MR. JAMES E. ALEXANDER, of North Harpswell, Me., writes:—"I am a horseshoer and subject to many strains in my back and hips which has brought on rheumatism in the sciatic nerve. I had it so bad one night when sitting in my chair, that I had to jump on my feet to get relief. I at once applied your

SLOAN'S LINIMENT

to the affected part and in less than ten minutes it was perfectly easy. I think it is the best of all Liniments."

Sloan's Liniment does not need any rubbing. It's a powerful penetrant. Try it for Rheumatism, Sciatica, Sprains, Chest Pains, and Sore Throat. It gives almost instant relief.

Price 25c., 50c., and \$1.00 at All Dealers.

Death of Judge George Denny
Judge George Denny, prominent attorney, one of Kentucky's ablest speakers well known in almost every section of the country as a leading supporter of the Republican party, died at his home in Lexington in his sixty-third year, following a period of ill health of five years.

It Is Curable
Dyspepsia may be completely eradicated if properly treated. I sell a remedy that I positively guarantee will completely relieve indigestion or dyspepsia, for the medicine used during the trial will cost the user nothing. This remedy has been named Rexall Dyspepsia Tablets. Certainly no offer could be more fair, and my offer should be proof positive that Rexall Dyspepsia Tablets are a dependable remedy. Inasmuch as the medicine will cost you nothing if it does not benefit you, I urge you who are suffering with indigestion or dyspepsia to try Rexall Dyspepsia Tablets. A 25 cent box contains enough medicine for fifteen days' treatment. For chronic cases I have two larger sizes, 50 cents and \$1.00. Remember, you can obtain Rexall Remedies only at my store—The Rexall Store, Thos. J. Chenoweth, Second and Sutton streets.

KILLED WIFE
When He Shot at Rat on Chicken Coop—Deplorable Tragedy at Stewart's Landing

Mrs. Granville Stewart of Stewart's Landing, near Newport, was accidentally shot by her husband Monday evening and died of hemorrhage within a short time. Stewart had procured a shotgun for the purpose of shooting some rats which were destroying his young chickens. A rat was located under a coop, and while Mrs. Stewart and a son were endeavoring to scare it out the rodent suddenly appeared on top of the coop. Stewart drew his gun to fire and as he did so Mrs. Stewart stepped in range of the weapon, receiving the charge, and died in an hour.

TIME TO ACT
DON'T WAIT FOR THE FATAL STAGES OF KIDNEY ILLNESS—PROFIT BY MAYSVILLE PEOPLE'S EXPERIENCES

Occasional attacks of backache, irregular urination, headaches and dizzy spells are common early symptoms of kidney disorders. It's an error to neglect these ills. The attacks may pass off for a time, but return with greater intensity. If there are symptoms of drooping limbs and ankles or any part of the body—don't delay a minute. Begin taking Doan's Kidney Pills, and keep up the treatment until the kidneys are well, when your old-time health and vigor will return. Cures in Maysville prove the effectiveness of this great kidney remedy.

Fredrick Dresel, 1238 East Second street, Maysville, Ky., says: "I consider Doan's Kidney Pills a most excellent remedy for kidney trouble and am only too glad to speak in their praise. About five years ago I was bothered by weak kidneys and the kidney secretions were scanty and attended with pain during passage. Sharp twinges across the small of my back were common and greatly interfered with my work. While telling a friend of my condition, he advised me to use Doan's Kidney Pills and I procured a box at J. J. Wood & Son's Drugstore. I used them according to directions and they gave me prompt relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

"How Can I Appear Best Always At the Smallest Money Cost?"

This is a mighty important question to you. It strikes right at the heart of the clothes question. We can best help you answer it. It's not the first cost that counts. An unworthy garment is the most expensive in the end. The secret of dressing well at a minimum expense lies in the care of the selection. If you select wisely and well, we have no fear that you will pass our present offerings. And the first cost of clothes—the kind we sell, admittedly the finest garments procurable, made specially for us—is no greater than that of ordinary clothes.

MISSIONS

One Department Not to Be Neglected in the Sunday-School

The Sunday-school has been aptly defined as the Church studying the Bible. Its text book is the Bible. Being a missionary book, the Bible naturally inculcates and inspires the missionary idea. The missionary idea therefore must be included in the organization of the Sunday-school. In some instances the entire school is organized into a Missionary Committee. In schools which are not so organized a Missionary Department similar to the Home Department should be formed for the special study of missions.

To study missions is to find the greatest incentive to faith and hope and activity in the interest of the salvation of human souls. It is to find the most impressive examples of the realism of Christianity. The story is interesting to all.

In the Primary Department the subject may be made interesting by means of curios and pictures and a striking incident related by the teacher.

In the Junior Department they have a fondness for stories which display the hero. The stories of missionary heroes will appeal to them, such as Life of Paton, Martyn Brinsford and others.

In the Intermediate Department we have a grade of life which hangs for the ideal. It is the time when the appeal should be made for consecration.

So far as the Senior Department is to be considered all that has been said applies to it. There are two essentials to an intelligent Christian—a knowledge of the Bible and of what the Bible is accomplishing in the world—missions.

Missions in the Sunday-school hinge upon four pivots—the Pastor, Superintendent, the teacher, the missionary library. The Pastor, Superintendent and teacher must be filled with missionary interest, knowledge, enthusiasm, and the missionary library is indispensable as the means to the end—missions in the Sunday-school.

Summitt, N. C.—In a letter received from this place, Mr. J. W. Church, the Notary Public, says: "My wife had been ailing for nearly 12 years from female ailments and at times was unable to leave the house. She suffered agony with her side and back. We tried physicians for years without relief. After these treatments all failed she took Cardui and gained in weight at once. Now she is red and rosy as a school girl." Cardui is a tonic for women has brought remarkable results. It relieves pain and misery and is the ideal tonic for young and old. Try it. At druggists.

20% UNDERFEED INVESTMENT

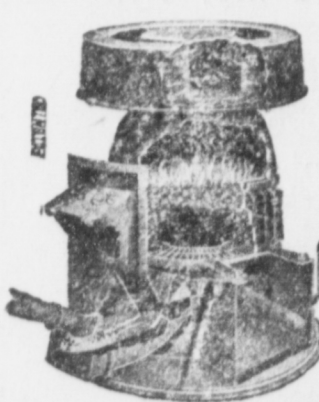

Most heating systems are an actual drag on the domestic treasury. If you want to enjoy actual every-winter dividends, tear out your old glutinous coal-eater, with its uneven heat and hard-to-satisfy appetite for fuel. Put in a

PECK-WILLIAMSON UNDERFEED FURNACE OR BOILER

Choose the system you like best—warm air, steam or hot water. Cheapest slack in the Underfeed yields as much clean, even heat as most expensive grades; which ordinary heating plants require. All the fire is on top and has to eat down into the fresh coal against the draft. Combustion is slow and perfect, and smoke, soot and gases are entirely eliminated. This enables Underfeed furnace and boiler users to

SAVE 1/2 TO 2/3 OF COAL BILLS.

This saving represents a 20% dividend on the investment for this modern system of heating. Figure it out. It won't take long to get your money back. The Underfeed adds to the selling or renting value of any building.

Write today for free booklets on Underfeed Warm Air, Steam and Hot Water Heating Systems. Our representative will be glad to call any time and make you a detailed proposition.
